ABOUT ME

Hey, I'm Min Khant, a 22 years software engineer from Mandalay, Myanmar. I am pursuing a Pearson Level 5 Higher National Diploma in Computer Sciences at EduCLaaS Academy, Lithan University, I'm on a journey to transform ideas into digital experiences.

- Proficient in ReactJS, NextJs, TypeScript, JavaScript, Tailwind, Bootstrap, jQuery, REST APIs, Firebase, Java, MySQL, MongoDB
- Skilled in creating stunning UI/UX design and developing fully responsive website
- Beyond the code, I'm a dedicated professional thriving in collaborative environments. I thrive under pressure, constantly seeking to enhance my skills and stay ahead in the dynamic world of web development.

EXPERIENCE

Feb 2023 – **WordPress developer**
June 2023 *Soloasix Travel Blog Website*

- Developed a fully responsive and user-friendly design for a travel blogging website using WordPress.
- Ensured high client satisfaction with my work, meeting their expectations and delivering a quality product.

Feb 2024 – **Frontend Developer**
May 2024 *Myanmar Cyber Youths Organization*

- Developed responsive frontend designs and integrated APIs for an event planning app, Breeze using Next.Js, React, Tailwind, TypeScript.
- Contributed to creating a user-friendly and efficient experience, simplifying event management for users.

March 2024 – **Frontend Development Tutor**
June 2024 *Skills Hub Academy*

- Assisted in teaching Frontend Development Course such as HTML, CSS, JavaScript, Tailwind, Bootstrap, TypeScript, React, Git and GitHub.
